SIDE EVENTS

Daily and Weekly Agenda

Updated 16/02/2020

Hello! I am Gibi the Great!

Broklet shows you the daily and weekly
Agenda of CMS COP13 Side Events.

And remember, there are no side events on Friday
because you're all going on an excursion!

Monday 17 February 2020

Monday 17/02		
Title	Organizer(s)	Room
Lunch Time – First Session – 12:45 - 13:30		
A Call for Global Species Conservation Action in the post-2020 Global Biodiversity Framework	International Union for Conservation of Nature (IUCN)	1
Advancing Jaguar Conservation: Listing <i>Panthera onca</i> on Appendices I and II of CMS	Range States: Costa Rica, Bolivia, Peru, Paraguay International Fund for Animal Welfare (IFAW) Wildlife Conservation Society (WCS)	2
Innovative approaches to achieve Aichi Biodiversity Target 11	United Nations Development Programme (UNDP) India Convention on Biological Diversity (CBD)	3
Global Swimways Initiative: Balancing Conservation of Migratory Fishes and Development	International Union for Conservation of Nature (IUCN) UN Environment Programme-World Conservation Monitoring Centre (UNEP-WCMC)	4
Landscape-based Conservation and Management Planning	Ministry of Environment, Forest and Climate Change, Government of India (MoEF&CC)	5
Lunch Time – Second Session – 13:45 -14:30		
Bridging Information of Wetlands and Waterbirds	Wetlands International South Asia (WISA) Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ)	1
Aquatic Wild Meat in West Africa: Addressing a Local Issue with International Responsibility	OceanCare Benin Environment and Education Society (BEES)	2
People's Participation Approach: a Bottom-Up Approach Towards Migratory Species Conservation	China Biodiversity Conservation and Green Development Foundation (CBCGDF) TERRE Policy Center (TPC)	3

Monday 17 February 2020

Addressing the Impact of Linear Infrastructure on Migratory Species	Convention on Migratory Species (CMS)	4
Integrated Reporting Tools for Biodiversity Knowledge Management, Supporting the post-2020 Evidence Base	United Nations Environment Programme (UNEP) United Nations Environment Programme World Conservation Monitoring Centre (UNEP/WCMC), European Union (EU) Federal Office for the Environment Switzerland (FOEN)	5

Tuesday 18/02		
<i>Title</i>	<i>Organizer(s)</i>	<i>Room</i>
Lunch Time – First Session – 12:45 - 13:30		
Women and Ecology: SEWA's Grassroots Women's Movement on Conserving Biodiversity and Migratory Birds	Self Employed Women's Association (SEWA)	1
Racing Extinction: Challenges in Cheetah Conservation and Importance of the African Carnivores Initiative	Cheetah Conservation Fund (CCF) Wildlife Conservation Society (WCS) Zoological Society of London (ZSL)	2
Safeguarding Connectivity: from Bird Data to Management Tools	Wetlands International (WI)	3
Generating Actionable Knowledge for the effective protection of Marine Migratory Species	Global Ocean Biodiversity Initiative (GOBI)	4
Vultures are Still Dying from Poisoning, but the Vulture Multi-species Action Plan (Vulture MsAP) is Working	Vulture MsAP Coordination Team of the CMS Raptors MOU	5
Lunch Time – Second Session – 13:45 -14:30		
India's National Action Plan for Conservation of Migratory Birds and Their Habitats along the Central Asian Flyway (CAF) and the Implementation Strategies	Ministry of Environment, Forest and Climate Change, Government of India (MoEF&CC) Bombay Natural History Society (BNHS) Wildlife Institute of India (WII)	1
Beyond Ecological Connectivity: Building a Network of Sites, People and Institutions	International Crane Foundation (ICF) IUCN WCPA Connectivity Conservation Specialist Group (CCSG)	2
Introducing the UNODC, CITES and CMS Programme on Cross-Regional Wildlife Conservation in Eastern and Southern Africa and the Indian Ocean	Convention on Migratory Species (CMS) Convention on International Trade in Endangered Species of Wild Fauna and Flora (CITES) United Nations Office on Drugs and Crime (UNODC) European Union (EU)	3

Tuesday 18 February 2020

Chimpanzee Culture: a New Criterion for Conservation	Born Free Foundation (BFF)	4
Veterinary Drugs and the CMS Vulture Multi-species Action Plan (Vulture MsAP): a Call for Wider Action	Vulture MsAP Coordination Team of the CMS Raptors MOU	5
Evening Session – 18:15 - 19:00		
The Road Ahead: Toyota and the IUCN Red List of Threatened Species towards the post-2020 Global Biodiversity Framework	International Union for Conservation of Nature (IUCN) Totota	1
Climate Change Adaptation: How Can Migratory Species Survive?	Convention on Migratory Species (CMS)	2
Reducing Impacts of Poison on Migratory Birds from Agricultural Chemicals and Poison Baits	International Crane Foundation (ICF) China Biodiversity Conservation and Green Development Foundation (CBCGDF) In partnership with bird specialist groups	3
Transboundary Cooperation	Ministry of Environment, Forest and Climate Change, Government of India (MoEF&CC)	4
Elephant Conservation beyond Borders	Convention on Migratory Species (CMS) Project Elephant Division Ministry of Environment, Forest and Climate Change, Government of India (MoEF&CC) Elephant Cell of Project Elephant (MoEF&CC), Wildlife Institute of India (WII) Wildlife Trust of India (WTI) IUCN SSC Asian Elephant Specialist Group (AsESG)	5

Wednesday 19/02		
Title	Organizer(s)	Room
Lunch Time – First Session – 12:45 - 13:30		
Humpbacks in the South Atlantic: a Flagship Species for Implementing the CMS Action Plan for South Atlantic Whales	Brazilian Humpback Whale Institute – Instituto Baleia Jubarte	1
Conservation of the Black-necked Crane: Current Status and Possible Courses of Action	NABU International - Foundation for Nature The German Federal Ministry for the Environment, Nature Conservation, and Nuclear Safety (BMU) Royal Society for the Protection of Nature (RSPN Bhutan) International Crane Foundation (ICF) World Wide Fund for Nature (WWF India)	2
IUCN Save Our Species African Wildlife Initiative (SOS AWI): Supporting Implementation of the Joint CITES-CMS African Carnivores Initiative	International Union for Conservation of Nature (IUCN) Cat Specialist Group (IUCN SSC CSG) Convention on Migratory Species (CMS) Convention on International Trade in Endangered Species of Wild Fauna and Flora (CITES) European Union (EU) and selected African Range States	3
Connecting Wetlands and Migratory Species: Connectivity and the post-2020 Global Biodiversity Framework	Ramsar Convention on Wetlands Convention on Migratory Species (CMS)	4
Control of Illegal Trade in Wildlife Including Migratory Species	Ministry of Environment, Forest and Climate Change, Government of India (MoEF&CC) Wildlife Conservation Society (WCS India)	5

Wednesday 19 February 2020

Lunch Time – Second Session – 13:45 -14:30		
Towards Eradication of Illegal Killing, Taking and Trade of Wild Birds	Convention on Migratory Species (CMS) Bern Convention (COE) Arctic Migratory Birds Initiative / Conservation of Arctic Flora and Fauna (AMBI/CAFF) BirdLife International (BLI)	1
Marine Animal Conservation Programmes: Sea Turtles, Whale Shark and Dugong in India	Ministry of Environment, Forest and Climate Change, Government of India (MoEF&CC) Wildlife Institute of India (WII) Central Marine Fisheries Research Institute (CMFRI) Wildlife Trust of India (WTI)	2
Concepts and Tools for the Implementation of the Joint CMS -CITES African Carnivores Initiative	International Union for Conservation of Nature (IUCN) Cat Specialist Group (IUCN SSC CSG) Convention on Migratory Species (CMS) Convention on International Trade in Endangered Species of Wild Fauna and Flora (CITES) European Union (EU) and selected African Range States	3
Addressing the Conservation Crisis of the Atlantic Humpback Dolphin	Whale and Dolphin Conservation (WDC) Convention on Migratory Species (CMS)	4
Saker Falcon Global Action Plan	Saker Falcon Task Force of the CMS Raptors MOU	5

Wednesday 19 February 2020

Evening Session – 18:15 - 19:00		
SOS Central Asia: Supporting CAMI Implementation	International Union for Conservation of Nature (IUCN) Convention on Migratory Species (CMS)	1
Community-based Conservation	Ministry of Environment, Forest and Climate Change, Government of India (MoEF&CC)	2
The International Whaling Commission at 75 Years: Meeting New Challenges through Collaboration	International Whaling Commission (IWC)	3
Celebrating the River Dolphin Concerted Actions	World Wide Fund for Nature (WWF International)	4
India and the Arctic Migratory Birds Initiative (AMBI): for the Conservation of Threatened Arctic Breeding Shorebirds Wintering in India	Bombay Natural History Society (BNHS) Ministry of Environment, Forest and Climate Change, Government of India (MoEF&CC) Arctic Migratory Birds Initiative / Conservation of Arctic Flora and Fauna (AMBI/CAFF)	5

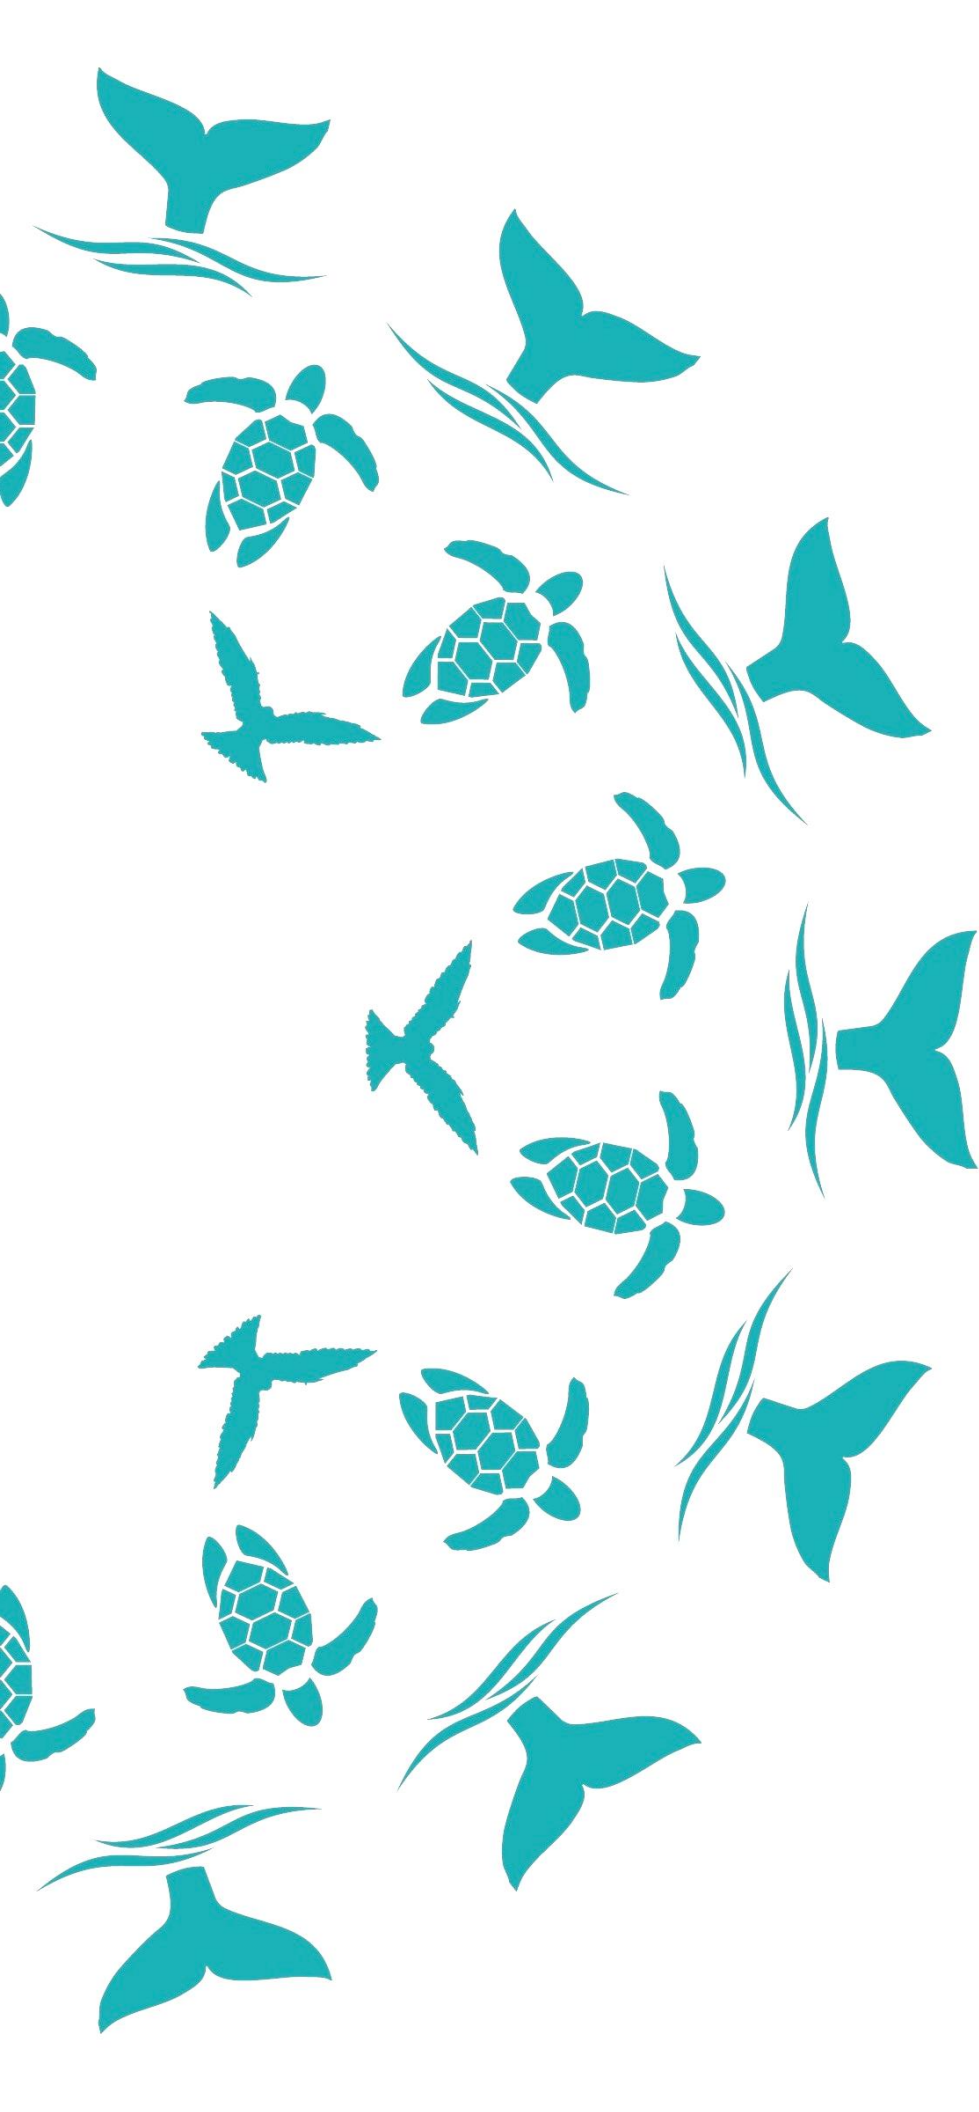

Thursday 20/02		
<i>Title</i>	<i>Organizer(s)</i>	<i>Room</i>
Lunch Time – First Session – 12:45 - 13:30		
The African Elephant Fund: a Decade Safeguarding the African Elephant and Restoring Its Habitat	United Nations Environment Programme (UNEP)	1
Saving the Gentle Giant: Whale Shark Conservation Success in Gujarat, India	Wildlife Trust of India (WTI) Tata Chemicals Ltd. Gujarat Forest Department (GFD)	2
Connected Energy Solutions for a Connected World: Rapidly Reconciling Renewable Energy Investment with Biodiversity Conservation	CMS Energy Task Force (ETF) BirdLife International (BLI)	3
State of India's Birds	National Biodiversity Authority India (NBAI)	4
Sahelo-Saharan Megafauna: Conservation Success Stories	United Arab Emirates Ministry of Climate Change and Environment (UAE MoCCaE) Convention on Migratory Species (CMS)	5
Lunch Time – Second Session – 13:45 -14:30		
A Global Animal Migration Atlas	Convention on Migratory Species (CMS)	1
Rehabilitation of Migratory Wetland Birds Affected by Avian Botulism in Sambhar Lake, Rajasthan	Wildlife Trust of India (WTI) Rajasthan Forest Department (RFD) HCL Foundation (HCLF) Hope and Beyond (HaB) Raksha	2
Species Conservation Initiatives in India with Reference to Asian Elephants, Great Indian Bustards, Gangetic River Dolphins and Tigers	Ministry of Environment, Forest and Climate Change, Government of India (MoEF&CC)	3

Thursday 20 February 2020

CMS Sharks MOU – A Global Platform to Facilitate Cooperation among Range States of Migratory Sharks and Rays	CMS Sharks MOU	4
Coastal Mudflats as a Key Wintering Habitat for Migratory Birds: Conservation Issues and Challenges	Sálim Ali Centre for Ornithology and Natural History (SACON) under the MoEF&CC	5

Evening Session – 18:15 - 19:00		
India's Initiatives for the Conservation of Gyps Vultures and National Action Plan for Conservation of Asian Vultures	Ministry of Environment, Forest and Climate Change, Government of India (MoEF&CC)	1
Navigating Troubled Waters: Conserving India's Vast Marine Space	Wildlife Conservation Society (WCS India)	2
Using Sensitivity Mapping to Avoid Conflict between Birds and Renewable Energy Infrastructure in India and Asia	BirdLife International (BLI) Bombay Natural History Society (BNHS)	3
Transboundary Conservation of Threatened Freshwater Fauna	Turtle Survival Alliance India (TSA India)	4
The Final Flight: Conserving Eurasia's Iconic Bustard Species	Wildlife Conservation Society (WCS India) Eurasian Bustard Alliance (EBA) The Corbett Foundation (TCF)	5

Side Events Weekly Table

Room	Monday 17	Tuesday 18	Wednesday 19	Thursday 20	Fr. 21	Sat 22
			Lunch time – 12:45 - 13:30			
1	A Call for Global Species Conservation Action in the post-2020 Global Biodiversity Framework – IUCN	Racing Extinction: Challenges in Cheetah Conservation and Importance of the African Carnivores Initiative – Cheetah Conservation Fund - WCS - ZSL	Humpbacks in the South Atlantic: a Flagship Species for Implementing the CMS Action Plan for South Atlantic Whales – Brazilian Humpback Whale Institute (Inst, Baleia Jubarte)	The African Elephant Fund: a Decade Safeguarding the African Elephant and Restoring its Habitat – UNEP		
2	Advancing Jaguar Conservation: Listing <i>Panthera onca</i> on Appendices I and II of CMS – IFAW – WCS - Range States: Costa Rica, Bolivia, Peru, Paraguay	Generating Actionable Knowledge for the Effective Protection of Marine Migratory Species – GOBI	Conservation of the Black-necked Crane, Current Status and Possible Courses of Action – NABU - German BMU; International Crane Foundation - WWF India - RSPN Buthan	Saving the Gentle Giant: Whale Shark Conservation Success in Gujarat, India – Wildlife Trust of India - Gujarat Forest Dept. - Tata Chemicals LTD		
3	Innovative approaches to achieve Aichi Biodiversity Target 11 – UNDP - CBD	Safeguarding Connectivity: from Bird Data to Management Tools – Wetlands International	IUCN Save Our Species African Wildlife Initiative (SOS AWI): Supporting Implementation of the Joint CITES-CMS African Carnivores Initiative – IUCN - IUCN SSC Cat SG - CITES - CMS - EU	Connected Energy Solutions for a Connected World: Rapidly Reconciling Renewable Energy Investment with Biodiversity Conservation – CMS Energy Task Force - BirdLife International		
4	Global Swimways Initiative: Balancing Conservation of Migratory Fishes and Development – IUCN - UNEP-WCMC	Protection of Marine Migratory Species – GOBI	Connecting Wetlands and Migratory Species: Connectivity and the post-2020 Global Biodiversity Framework – Ramsar - CMS	State of India's Birds – National Biodiversity Authority, India		
5	Landscape-based Conservation and Management Planning – MoEF&CC	Vultures are Still Dying from Poisoning, but the Vulture Multi-species Action Plan is Working - Vulture MsAP of the CMS Raptors MOU	Control of Illegal Trade in Wildlife Including Migratory Species – MoEF&CC - WCS India	Sahelo-Saharan megafauna: Conservation success stories – MoCCaE UAE - CMS		
			Lunch time – 13:45 - 14:30			
1	Bridging Information of Wetlands and Waterbirds – Wetlands International - GIZ	India's National Action Plan for Conservation of Migratory Birds and their Habitats along the Central Asian Flyway (CAF) and the Implementation Strategies – MoEF&CC - BNHS - Wildlife Inst. India	Towards Eradication of Illegal Killing, Taking and Trade of Wild Birds – CMS - Bern Convention - AMBI/CAFF - BirdLife International	A Global Animal Migration Atlas – CMS		
2	Aquatic Wild Meat in West Africa: Addressing a Local Issue with International Responsibility – OceanCare - BENIN EES	Beyond Ecologically Connectivity: Building a Network of Sites, People and Institutions – International Crane Foundation - IUCN WCPA CCSG	Marine Animal Conservation Programmes: Sea Turtles, Whale Shark and Dugong in India – MoEF&CC - Wildlife Inst. India - CMFRI - Wildlife Trust of India	Rehabilitation of Migratory Wetland Birds Affected by Avian Botulism in Sambhar Lake, Rajasthan - Wildlife Trust of India - Rajasthan Forest Dept.		
3	People's Participation Approach: A Bottom-Up Approach towards Migratory Species Conservation – CBCGDF - TERRE Policy Center	Introducing the UNODC, CITES and CMS Programme on Cross-Regional Wildlife Conservation in Eastern and Southern Africa and the Indian Ocean – CMS-CITES-UNODC-EU	Concepts and Tools for the Implementation of the Joint CMS-CITES African Carnivores Initiative - IUCN - IUCN SSC Cat SG - CITES - CMS - EU - and selected African Range States	Species Conservation Initiatives in India with Reference to Asian Elephants, Great Indian Bustards, Gangeitic River Dolphins and Tigers – MoEF&CC		
4	Addressing the Impact of Linear Infrastructure on Migratory Species – CMS	Chimpanzee Culture: a New Criterion for Conservation – Born Free Foundation	Addressing the Conservation Crisis of the Atlantic Humpback Dolphin - Whale and Dolphin Conservation - CMS	CMS Sharks MOU: A Global Platform to Facilitate Cooperation among Range States of Migratory Sharks and Rays - CMS Sharks MOU		
5	Integrated Reporting Tools for Biodiversity Knowledge Management Supporting the Post-2020 Evidence Base – UNEP - EU - UNEP/WCMC - Swiss FOEN	Veterinary Drugs and the CMS Vulture MsAP: a Call for Wider Action - MsAP of the CMS Raptors MOU	Saker Falcon Global Action Plan - Saker Falcon Task Force of the CMS Raptors MOU	Coastal Mudflats as a Key Wintering Habitat for Migratory Birds: Conservation Issues and Challenges – Salim Ali Center for Ornithology and Natural History		
			Evening Session – 18:15 - 19:00			
1		The Road Ahead: Toyota and the IUCN Red List of Threatened Species towards the post-2020 Global Biodiversity Framework - IUCN & Toyota	SOS Central Asia: Supporting CAMI Implementation - IUCN - CMS	India's Initiatives for the Conservation of Gyps Vultures and National Action Plan for Conservation - MoEF&CC		
2		Climate Change Adaptation: How Can Migratory Species Survive? - CMS	Community-based Conservation – MoEF&CC	Navigating Troubled Waters: Conserving India's Vast Marine Space - WCS India		
3		Reducing Impacts of Poison on Migratory Birds from Agricultural Chemicals and Poison Baits - International Crane Foundation - CBCGDF - and bird specialist groups	The International Whaling Commission at 75 years: Meeting New Challenges through Collaboration – IWC	Using Sensitivity Mapping to Avoid Conflict between Birds and Renewable Energy Infrastructure in India and Asia - BirdLife International - BNHS		
4		Transboundary Cooperation – MoEF&CC	Celebrating the River Dolphin Concerted Actions - WWF International	Transboundary Conservation of Threatened Freshwater Fauna – Turtle Survival Alliance India		
5		Elephant Conservation beyond Borders- CMS - Project Elephant Division of MoEF&CC - Wildlife Trust of India - Wildlife Institute of India - IUCN SSC AsESS	India and the Arctic Migratory Birds Initiative (AMBI): for the Conservation of Threatened Arctic Breeding Shorebirds Wintering in India – BNHS- MoEF&CC - CAFF/AMBI	The Final Flight: Conserving Eurasia's Iconic Bustard Species – WCS India - Eurasian Bustard Alliance - The Corbett Foundation		

RECEPTION

Thank
You!
